

## What was I Scared Of?

Mrs. Lerda reads her classes' favorite and lesser known Dr. Seuss title: " What was I Scared Of?"

About a Spooky Pair of Pale Green pants!

This story teaches that you should never judge a book by its cover!

A link is provided to an activity pack that goes along with this story and has an answer key. If you don't have ink at home, no problem, just simply ask your kids questions from the read aloud and talk about new words you encounter. There is even an idea to make a comic strip of the story!!

Additionally, since buttons are on pants, there is a bouncing buttons science activity that you can try too! If you don't have buttons, try any other small plastic objects you have at home!

Finally, as explained in the video try making your own ladder story and create your own ending.
