

X-ray Fish: Talk about  
what an  
x-ray is....

Step 1:

- You will need 2 Big Lines to make your X.
- Glue to your paper

Step 2:

- You will need a fish shape with his middle cut out (parents can help)
- 1 piece of clear cellophane taped to back of fish.
- Glue on top of your X.

Step 3:

- Add a google eye (if you have one). You could draw an eye as well.
- Add a mouth

Have Fun!! 😊
