Payment Agreement

Attention Parents/ Guardians:

In order to accommodate everyone fairly, we do permit advanced reservations for weeks of camp once the registration fee and first week of camp is paid. All weeks must be paid at least **14 days in advance**. This is to ensure that those who are on waiting lists are not overlooked should someone decide not to attend. Failure to pay for reserved weeks by the due date may result in a cancellation of the reservation and possibly losing your spot for that week. A seven day cancellation is required if you register in advance for a week of camp and then can not attend. Failure to give notice may result in being charged for the week.

I understand that I may reserve certain weeks of camp that my child would like to attend. I also understand that payment for each week must be received at least 14 days prior to the first day in order to hold my spot.
