

Mon Valley YMCA Summer Day Camp Frequently Asked Questions

Where do I drop off my camper?

Drop-Off and Pick Up Routine – All campers will be taken out of and put in their cars by a counselor. Please do not get out of your car. There is one line for both Big & Little Camp. Big Camp is dropped off at stop sign, Little Camp is dropped off at the pavilion. Please be patient and follow as you are directed by counselors in the parking lot. If you do not wish to wait while campers are unloaded, please arrive 5 minutes later to drop off point. If your camper needs to leave early, please write a note, and you will be told where to pick your camper up.

What do I do if someone else needs to pick up my camper?

Authorization to Pick-Up Camper – Only adults authorized in *writing* will be allowed to pick-up your camper. All adults picking up camper may be asked to show a photo ID. If there is a situation where the person picking the camper up needs to change during camp hours or if you are running late, please call the YMCA at 724.483.8077 to send a message to our camp counselors.

What if my child is sick or gets hurt at camp?

Illness/Injury – If your camper becomes ill while at camp, we will contact you to pick him/her up. If your camper is injured, we will take necessary steps to provide first aid. If we are unable to reach you or designated emergency contact in the event your camper needs medical care, he/she will be transported to the hospital by a YMCA staff vehicle or ambulance.

What do I do if my camper needs to take medication while at camp?

Medication Policy – If your camper requires any medication, you must complete and return a Medication Form to Barb Trilli, Camp Director, before the first day of camp. Forms are available in the Business Office. All medications (over the counter & prescription) will be dispensed by proper personnel.

What will happen if my camper has a behavior issue at camp?

Behavior At Camp – It is our goal to make sure all campers have a positive experience at camp. We work with campers to accept responsibility and make positive choices. If behavior problems arise, we will discuss the situation with the camper including modeling positive choices. Second, the camp may be temporarily given alternate activities. If the situation continues to persist, we will contact a parent. Campers with behavior issues that persist or that negatively affect the experience for other children will be excused from camp. *(without a refund)*.
