

# Mon Valley YMCA Summer Camp 2022 Little Camp- Ages 4-6 years

**TIMES**

Monday-Friday  
4-6 years: 10:00AM-1:00PM

**COST PER CAMPER**

Registration: \$25.00  
(non-refundable)  
Camp Fees:  
YMCA Member: \$52.00  
Non-Member: \$72.00

**DROP OFF**

Children are not permitted to arrive early. Please follow the traffic pattern. Please remain in line until a counselor helps your child out of the car. Same procedure is used at pick-up time. Please do not arrive at the YMCA more than 5 minutes before camp begins or ends. Cars in line that are blocking parked cars or preventing flow through our parking lot will be asked to park until the line goes down.

**LUNCH**

Pack a lunch daily using non-perishable items. Children must bring their own water bottle. Lunches should be in insulated lunch boxes if they need to be kept cold. Beverages high in sugar may attract bees.

**MEDICATION POLICY**

If your child requires any medication, you must complete and return a Medication Form to Barb Trilli before the first day of camp. Forms are available online or in the Business Office. All medications (over the counter & prescription) will be dispensed by proper personnel.

**CLOTHING**

Camp meets rain or shine. Campers should wear play clothes and sneakers. Sandals, crocs, and open toe shoes are **not** permitted. Bring rain gear when needed. Please wear a bathing suit under clothing on Mon, Wed, Fri. Don't forget to pack extra underwear. Please bring a towel and extra clothing in a gym bag or back pack. **MARK ALL CLOTHING.**

**OPEN HOUSE**

An open house will be held for all camp parents on Saturday, June 11th at 11:00AM at our picnic pavilion.

**SWIMMING**

Little Camp swims at the outdoor wading pool Monday, Wednesday, and Friday.

**CDC GUIDELINES FOR SUMMER CAMPS**

The following procedures have been put in place to ensure a safe, fun summer:

- No shared craft supplies.
  - All belongings will be kept separated.
  - Social distancing throughout the day.
  - Hand washing and sanitizing throughout the day.
  - Disinfection of all surfaces will be done throughout the day.
- \* Handwashing stations have been generously donated by EQT.

# Little Camp 2022

## **1. On a Mission (June 13-17)**

Bingo and Rolly need your help because they are "On a Mission" to find who is taking all the objects from camp. First you will have to show them you have what it takes to do the job. They have set up an obstacle course and a bone hunt to test your skills. You will also learn the secret puppy dog language. We will all be adopting a little stray puppy from camp, but first we must make them a special dog house. Our doggy magnets will be super cute. We may go home acting a little more like our furry friends.

## **2. Let's Experiment (June 20-24)**

Do you wonder how things work or like to make gooey things that change color like Ada Twist? Maybe you are more like Iggy Peck Architect and like to build or design your own creations. You will learn so much with hands on experiments and problem solving skills. There will be some take home experiments to share with your family, like glitter jars & color spinners. A picture of you in action will help you remember the fun we had trying out new ideas. What keeps a parachute in the air? How tall can you make a tower out of straws and playdough? Maybe Rosie Revere can help. The more questions you have the more you will learn. Grab your goggles and lab coat, and join us.

## **3. Nature Trackers (June 27-July 1)**

Learn how to become a "Nature Tracker" just like Buddy, Shiny, Tiny, and Don of the Dinosaur Train. Complete the four challenges to become a real Nature Tracker. I wonder what your dinosaur train car will look like? We will start by learning what all living things, including dinosaurs, need to survive. Conservation is a way to help our planet last for a very long time. Remember how much fun we have with the "Cave Crawl", and "Digging for Dino bones". A walk in the woods will uncover many small creatures, and a few dinosaurs. Put on your dino shirt and join us to plant a tree at the playground to remember our summer fun.

## **4. Minions in Training (July 11-15)**

Just like Minions kids are "born to be awesome not perfect". Minions are fun-loving, happy, bundles of energy. Join the minions at camp to "Capture the moon", play "Gru says" and see who can be "So Fluffy". Take home the most adorable minions, good and evil. Let's play a little "Freeze Ray" tag, and try some "Banana Knock-out". What will happen when they find out we are making purple edible slime? We can all play in the Minion band. Minions see the world in a positive way and you will too when you go to camp with these lovable characters. "Don't forget to have fun always."

## **5. Mirabel's Gift (July 18-22)**

Mirabel's home is a magical place where her family shares their gifts to help all the families of her village. Come celebrate magical butterflies, rainbows, music, and family. Learn about your special gifts and talents that you can share with those around you. Maybe you can complete "Luisa's Challenge" with your amazing strength. Antonio could use your gift with animals to round up his wild pets. We will also learn a little Spanish to help us understand our new friends. Some rainbow science will be thrown in for fun too. Whoever you are where ever you live, your family is always the most important thing. Come join our camp family and celebrate you, just the way you are.

## **6. Yeti Fun (July 25-29)**

Most of you know Bumble from "Rudolph the Red-Nose Reindeer". How about Migo from "Smallfoot", or Marshmallow from "Frozen"? We absolutely can't forget Everest from the movie "Abominable". So many famous Yeti's but no celebration. Come join in the Yeti fun by playing Yeti Tag, going sled riding, and building a snow fort. How about making a snow painting, or a Bumble door hanger. You can build your first snow sculpture and learn about stages of water. If you had a Yeti friend what would they be like? Let your imagination go wild with your favorite Yeti and friends

## **7. Keep Swimming (August 1-5)**

Dory, Dory, Dory where are you going? You don't know? Let the campers and your ocean friends help you. We can hang out with Hank and explore the secrets of the deep. Learning what will sink or float, and "Fishing for Nemo" are on our list. Please look out for the sharks! Maybe if we feed them they will be happy and leave us alone. Let's take home an 3D ocean craft, and some "Treasure bottles" to remember our adventure. How are you at diving "Under the Sea"? Maybe jumping around on "Musical Island" is more to your liking. What ever happens, as Dory says, "Just Keep Swimming!"
