WE ALL NEED THE Y

A strong community can only be achieved when we invest in our kids, our health and our neighbors. It is often taken for granted how many lives are impacted each day by our YMCA.

The Y gives us a place to play, to learn, to be healthy and to give back. It gives parents child care, young adults job training and children a safe place to go. Everything the Y does is in service of making us better. Ask yourself this question, what would your life be like without the Y?

Every dollar donated to our Y is used to provide direct assistance to our members and program participants, creating a lasting impact on our facility. These donations allow us to create a place we are proud to share with our community.

We thank you for your continued support to our Mon Valley YMCA
